

*Magical
Winter Solstice 2019
& The Festival Week of the
New Group of World Servers
in Rauhanlinna Finland
21-28 of December*

We Warmly Welcome You to Join Us!

The closing days of the year 2019 promise to be spiritually momentous.

Every seven years the Hierarchy and its disciples celebrate
the Festival Week of the New Group of World Servers (21st – 28th December).

On the 21st, during the Capricorn Solstice Moment, we align with
an international event—“***One Minute of Silence***”. Another special moment
generating momentum for the group takes place on the 26th when
the New Moon in Capricorn occurs.

Dear Brothers and Sisters in the Esoteric World Group,

We have honour to invite you to our Festival Week of the New Group of World Servers Celebration which occurs once every seven years, from December 21st to December 28th 2019. At the occurrence of this Festival Week (every seven years) there is a down-pouring of a particular Light entering our planet via the Planet of Opportunity, Saturn, and passing through the constellation Capricorn from a still greater constellation.

Please, see the beautiful video “**2019 World Servers Festival Week**”,

The Festival Week Celebrations represent a huge opportunity to work in unison with all the esoteric World-Serving-Groups. These Festival Weeks can be thought of as beginning in 1935 and continuing every seven years since that time. Our immediately earlier such event was held in 2012, and this celebration will be the “last” during the Era of the Forerunner (1965-2025). In 2012 we went very deeply into the nature of the New Group of World Servers, considering how to be a member of such a group and how to strengthen the hands of this subjective body of servers; now we will go even deeper. We will reflect on our own responsibilities as members or prospective members of this group. How, really, do we know if we belong to this Group of Servers? What can we do to ensure that we do, indeed, belong?

The program (see below) is very full and, we trust, inspiring. As well, we will be broadcasting and webinaring every day, which programs many, worldwide, will receive, but there is, we think, something special about being present in person in the Darkness of the North and under the energies of the Capricornian country, Finland (which was the only country with a Capricorn Rising-sign, among the many countries listed by Master DK according to their zodiacal signs.)

The NGWS Festival Week is happening during and surrounding the days of Christmas, and that fact will bring in the very special energies of the Holy Spirit.

Also, we will celebrate a **traditional Finnish Christmas** with all its sacred observances.

Working so intensively together and, as well, internationally, no doubt we will be offering a significant service on behalf of the Divine Plan—serving Humanity in the sight of the Spiritual Hierarchy of our planet.

Master D.K in EA 195-196

In December 1935, the energies of Capricorn were augmented by the pouring in of forces from a still greater constellation which is—to our zodiac—what the zodiac is to the earth. This augmentation will take place again in 1942. It must be remembered that, from certain angles, the circle of twelve signs or constellations constitutes a special unity which revolves within our universe of heavens as our planet revolves in the centre of our circle of influences.

By means of this augmentation—during the coming Aquarian zodiacal cycle—groups on earth can avail themselves of ***the tide of Capricornian influences*** which will flow into our radius of registration every seven years. The one just past, gave a tremendous impetus to the work of the New Group of World Servers, and was the cause of the very good reaction in the world to their particular impulse. This worked out in every nation and in every group as a marked tendency to good will.

In 1942, there will come another planetary inflow of which we all are begged to avail ourselves, and for which we are urged to make due preparation. This ***"week of group impact"*** occurring ***every seven years, will run from December 21st till December 28th***, and if this should at any time fall at the period of the full moon, the opportunity will be most significant. This possibility must be watched. This week should be regarded as pre-eminently the "festival week" of ***the New Group of World Servers***, and after 1942 advantage must be taken of this period, and special preparation made. This fact invites the attention of all of us.

For those who can stay bit longer, we have the Celebration of the New Year and our ***Traditional New Year's Eve Vigil***—a meditative welcoming into the New Year, 2020, of those in every Time Zone in the world—*starting at the International Date Line* and moving West.

This year we have a really mammoth vigil ***the entire round-the-world process taking 24 + 1 hours!*** On ***January 1st***, we will close our New Year's Meditations with a broadcast focussed on ***Mary's Day of Obligation*** (Mary is the symbol of the ideal disciple).

We look forward to working with you!

**In Light, Love and Power,
Tuija and Michael**
