For the seven days of each Full Moon (FM) Meditation Festival

For three days before FM, prepare yourself. Be **confident** that this group work will be effective; be **aspirational** that we are assisting the Hierarchy in its world work; and **dedicate** yourself to playing your part. On the day of the FM, meditate and **receive, hold** and **safeguard** the incoming energies. For the following three days hold the **expectation** and **belief** that this work is successful, continue to **register** any received insights, and quietly **distribute** the energies in your meditation work and as you go about your day.

Alignment

1. Withdraw from the personality, align with the soul and identify as the soul.
2. Imaginatively merge with the group soul.
3. Unite in soul with the spiritually-minded people of the world, with men and women of goodwill.
4. Visualize the group soul merging into the One Soul of Humanity. Realize that there is no 'my soul and thy soul'. Deeply realize "Naught is but Me".
5. See the group align with the higher worlds of wisdom.
6. In the presence of this great Light, 'feel' the presence of the Great White Brotherhood, the Lodge of Masters, the Spiritual Hierarchy of our Planet.
7. Inwardly and with heart-felt gratitude, offer your salutations to the Masters and to the Head of the Hierarchy, the Christ. **OM**
8. Raise your thought to Shamballa, the "Center Where the Will of God is Known", and, with deepest reverence and in all humility, attune with the Presence of Sanat Kumara standing at the center of Shamballa.
9. Sound a long, silent OM as you imagine the group imbued with His Energy.
